Joshua Gerena
Segment Development Manager (CRE)

Description: In this engaging keynote presentation, Joshua Gerena at 2N/Axis Communications will delve into the world of connected living and explore how smart home security solutions are transforming the way we protect and interact with our homes and visitors. From advanced video intercom systems and CCTV surveillance to cutting-edge access control with remote capabilities, we will uncover the endless possibilities that arise when technology and security converge. Join us as we unlock the potential of smart home security and discover how it enhances convenience, communication, safety, and peace of mind in our connected lives.
